

July 27, 2021

Nelda Covarrubias,

Project Graduation would like to use the Fairgrounds Saturday, November 6th, from 7am-9pm. We will be hosting a Corn Hole Tournament and Chili Cook Off. We are still working on the rest of the details and have been in contact with the insurance agent to get the General Liability Insurance going already.

Let me know if any other information is needed.

Thank you,

Jessica Torres
